

Spring 2026 STEM Immersion Programs

9 Saturdays: March 7th to May 2nd, 2026 - Virtually On Zoom

Are you interested in learning about your future in science? We have 3 fun & enriching Spring programs that can help you learn more about healthcare, technology, or engineering!

HEALTH SCIENCE IMMERSION PROGRAM (HSIP)

In HSIP, we learn about health science research & careers by:

- Engaging in talks from health professionals like a Dentist, Physician, Registered Nurse, Medical Communications Manager & Pharmacist
- Exploring research talks from professors & grad students from universities like UC San Francisco, Columbia University & CSULA
- Doing a cancer, neuroscience & human anatomy team research project

LEARN MORE & APPLY:
impactinternships.org/hsip

12 - 3pm
PST OR
3 - 6pm PST

COMPUTER SCIENCE IMMERSION PROGRAM (C-SIP)

In C-SIP, we learn about technology education, careers & innovation by:

- Interacting in career presentations from technology workers such as a Web Designer, UX Designer, Product Manager and Technical Artist about their careers
- Working on a team project with web design, user experience & basic software programs, as we explore how technology reshapes our world

LEARN MORE & APPLY:
impactinternships.org/csip

1- 4pm PST

ENGINEERING IMMERSION PROGRAM (E-IP)

In E-IP, we learn about engineers and the products they build by:

- Engage in subject presentations from engineering professionals as we explore their career pathways, education experiences and work outcomes
- Taking part in a group project exploring the importance of subjects such as mathematics, physics and technology in engineering as we explore how innovative design solves challenges

LEARN MORE & APPLY:
impactinternships.org/eip

2 - 5pm PST

Interested? - Apply At Program Links Above By Saturday, Feb 28th, 2026

In All of These STEM Programs You Will...

Explore Leadership Skills,
College Admissions & Career
Pathways in Program
Workshops

Be Part of a Community
That Values Learning &
Mentorship!

Take Part in a Mission Driven, Non-
Profit Program That Is Free for
Students Who Meet the Family Income
Guidelines for the Free/Reduced Lunch
Program & a Fee for Other Students

Gain an Intro
to Your Future
Education &
Career in
Science
